Tranche 1 et 2

A hand-drawn map of a road network. The map consists of several colored segments: a yellow segment at the top, an orange segment below it, a pink segment below that, and a green segment at the bottom. The green segment has three black dots on it. To the right of these segments are labels in French: 'chemin des Goëlettes' next to the yellow segment, 'chemin de caraque' next to the orange segment, 'Rue de l'Acadie' next to the pink segment, and 'Place de Frégate' next to the green segment. Below the green segment is a label 'Chemin de la Nouvelle FRANCE' with three blue dots to its left. A vertical line runs through the middle of the map, separating the labels from the right side.
